**Or in cash on the day of verification.**

The membership fee for the competition is **50.00 KM (25.00 Euros )**.

## **Article 8**

### **Liability and insurance**

Each driver and competitor performs at his own risk. The organizer does not accept any responsibility for personal injuries and damage to the property of drivers, competitors, mechanics and third parties. Each competitor and driver is responsible for their personal insurance.

The organizer is obliged to have an insurance policy for all officials, the public, third parties and things.

## **Article 9**

### **Competition**

Admission and verification of competitors:

Reception and verification will be held at Alloy Wheels parking lot on:

- Friday, July 14, 2023 from 7:00 to 9:0 p.m. for arrived vehicles
- Saturday, July 15, 2023 from 07:00 to 09:30 a.m.

Technical acceptance of the vehicle:

Technical acceptance of vehicles will be held on Saturday, July 15, 2023 from 07:30 to 9:30 a.m. on the competition track.

At the technical inspection, it is mandatory to present the (vehicle) registration certificate, i.e. Vehicle Technical Booklet (TKV) and homologation for the competition vehicle.

Training and race:

Training and race will be held on Saturday, July 15, 2023 according to the schedule of the competition program.

One training will be held and its times will be measured and announced, and afterwards three runs with the times measured and announced as well.

For the schedule/scoring at the end of the competition, the result of two better runs will be added up. Participation in the training is not mandatory.

At the end of the third run, the vehicles will be parked in the start area until the expiration of the time for objections and the announcement of the final results.

Starting procedure

The start will take place with a traffic light device, with vehicles in place, engines running and at intervals of at least 20 seconds. The finish will be flying.

## Article 10

### Rank

The competition consists of three runs with time measuring. For the final rank of each driver, the sum of the two better runs (including possible penalties) will be taken into account.

The penalty in the competition is in accordance with Appendix A09 of the Rulebook on Motorsports.

The achieved results will be declared and scored for:

- Central European Championship (CEZ), FIA
- Open Championship of B&H, regardless of National Association of participants
- Open Championship of SAKSRS.

## Article 11

### Awards

At the end of the competition, the organizer will distribute the following prizes:
